

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 2995 - SB 3514

February 15, 2012

SUMMARY OF BILL: Adds language specifying that the employer is responsible for overpayment of unemployment benefits if an award of benefits is overturned by appeal due to evidence that was submitted by the employer more than seven days after a request for information was sent to the employer.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Current unemployment security law requires employers to submit evidence within seven days of a request for information. Employers are currently held responsible for failure to respond within the seven days; this bill will clarify existing unemployment security law. As a result, there will be no impact on the Department of Labor and Workforce Development or unemployment security.
